

Our commitment to a better future

As a leading manufacturer, Worcester, Bosch Group is totally committed to fulfilling its environmental responsibilities. This applies not only to helping conserve non-renewable energy resources by designing renewable technologies which are as energy efficient and as clean burning as possible, but also to methods of production, administration, development, recycling and disposal.

 **THE NATIONAL TRUST**

The National Trust was founded in 1895 to protect places of historic interest or natural beauty and is now Europe's leading environmental charity. It protects extensive coastline, countryside, historic houses and gardens under its care throughout England, Wales and Northern Ireland for the enjoyment of everyone, for all time. Annual membership allows unlimited free admission to more than 300 historic buildings and gardens. The National Trust also stages hundreds of events ranging from open air concerts with fireworks to Teddy Bears' Picnics, Pirate Parties, Treasure Hunts, Easter Egg Trails and Family Fun Days.

The National Trust also owns over 360 holiday cottages in England, Wales and Northern Ireland, ranging from a lighthouse keeper's cottage to an observatory, and winners of the week's holiday prize can select where they wish to stay (subject to availability).

Where to send your entry form

To enter the Worcester Environment 2020 Awards, send your completed entry to the address below.
[Environment 2020 Awards, Marketing Department,](#)
[Worcester, Bosch Group, Cotswold Way,](#)
[Warndon, Worcester WR4 9SW](#)

ART Competition

Win £1,000 worth of Leisure Vouchers plus great runners-up prizes too.

Now for something completely different – a chance for children to win their family £1,000 worth of leisure vouchers! There are two age groups (up to 11 and 12-16 years old) so households can submit more than one entry and so increase the chances of winning.

To be in with a chance of winning, all you have to do is use your imagination to create a drawing, painting, collage, cartoon or photograph (no computer generated images) that reflects the theme, 'The Environment and the Home'. For example, a chimney with a bad cough. Or a home drawing its energy from purely natural sources such as sunlight, wind or water power.

The only limit is your imagination!

Seasonal awards

At four times during the year (Spring, Summer, Autumn and Winter) each of the two age groups will be in with a chance of winning the seasonal award. The eight winners will each receive £50 worth of WH Smith vouchers, plus one year's family membership to the National Trust.

Environmental Image of the Year Award

The overall winner will be invited to a Gala Awards Luncheon, where they will be presented with the Environmental Image of the Year Award by our guest of honour. A superb prize: £1,000 worth of leisure vouchers to spend on a holiday or any activity of their choice.

How to enter

Complete the entry form and send it, with your image or images, to the Worcester Environment 2020 Awards address on the back page. Unfortunately images cannot be returned. You can enter as many images as you like for the awards, but each must be accompanied by a separate entry form. The art competition will run each year up to and including 2020, so if you have missed out this year, you can always try again.

Good luck!

The National Trust stages hundreds of family orientated events
